Heaters

I cannot have and will not use personal heaters or fans within property. I understand that these will be removed & stored safely for me until I leave the property.

I will not tamper with any heating controls. Boiler controls are preset and tempering with them will turn the heating off.

Fire Safety

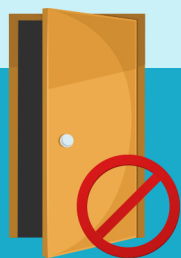

I have read the Fire Emergency Action Plan and have been shown the emergency fire exits

I know the location of and know how to use the fire blanket

I will not leave the cooker unattended

I will not wedge, or prop open any fire doors

I will not cover or tamper with heat/smoke detectors

I will not obstruct fire escape routes with my belongings (Hallway, Stairs, and Landing)

I will not light candles or use incense sticks anywhere in the property

Smoking

I will not smoke within the property at any time

I will use the cigarette bins provided to dispose of cigarettes and ensure smoking materials are fully extinguished when finished.

I understand that it is my responsibility to inform my visitors of the above precautions too.
